

## **Electrical Safety Outdoors**

## Be a bright spark!

Colour in this picture and write the number of the electrical safety rule in the box next to the part of the picture you think it refers to.

## **Electrical Safety Rules**

- **1.** Keep kites and other objects away from power lines
- **2.** Never trespass on the railway track
- 3. Never climb pylons
- **4.** Remember, this sign means danger of death!
